Professional Summary

Computer Science (Data Science) undergraduate with a strong foundation in Java, Python, Data Structures, and Object-Oriented Programming. Hands-on experience building projects in web development, Generative AI, and data-driven applications. Passionate about solving real-world problems through software engineering and AI, and seeking internship opportunities to contribute, learn, and grow in a collaborative environment.

Education

Prasad V Potluri Siddhartha Institute of Technology	2024 – 2028
<i>B.Tech in Computer Science (Data Science), CGPA: 8.5</i>	<i>(Pursuing)</i>
Sri Chaitanya Junior College	2022 – 2024
<i>Intermediate (MPC), 93.1%</i>	
Dr K.K.R Gowtham School	2021 – 2022
<i>CBSE, 89.5%</i>	

Technical Skills

Programming Languages: Java, Python, C

Web Technologies: HTML, CSS, JavaScript

Data & Analytics: Data Analysis, Data Visualization, Data Engineering, Advanced Data Structures and Algorithm Analysis, Object - Oriented Programming.

Core CS: Database Management Systems(DBMS), Digital Logic & Computer Organization

Soft Skills: Communication, Analytical Thinking, Logical Reasoning.

Projects

Personal Portfolio Website

- Developed a responsive and SEO-friendly personal portfolio website using HTML, CSS, and JavaScript to showcase projects, technical skills, certifications, achievements, and professional profile.
- Designed an interactive, mobile-first user interface with smooth animations, semantic HTML, and ATS-friendly content structure to deliver an engaging experience for recruiters and potential employers.

OmniLife AI – Autonomous AI Operating System

- Built an Agentic AI-powered personal life management platform that generates adaptive plans for learning, health, finance, productivity, and career goals based on user preferences, priorities, and real-time progress.
- Built a multi-agent AI platform using LangGraph, FastAPI, Gemini API, PostgreSQL, ChromaDB, and Streamlit, featuring adaptive planning, long-term memory, and workflow automation.

Certifications

- AWS Data Engineering – EduSkills
- Programming for Problem Solving Using C – Bytes
- IBM Data Fundamentals

Achievements

- Earned CodeChef Silver Badge by solving 250+ coding problems and completing all 500 difficulty-rating problems.
- Achieved 50 days Coding Badge on LeetCode by solving 180+ problems.
